

February 3, 2021

To whom this may concern,

It is my pleasure to strongly recommend Kahiau Teruya to be a part of your program and to make an impact on something bigger than himself.

My name is Chazz Ishikawa, a teacher at Maui High School and a baseball coach for various different young adult baseball teams. I played baseball for two years at Pierce Community College in Washington State, and two years at Montana State University Billings. Of my years working with various students and student athletes, Kahiau is an individual who uniquely stands out.

During my years of working with, and instructing Kahiau, he has demonstrated nothing short of quality production in terms of attitude, coachability, and work ethic. However, those attributes are not his only strong suit but his perseverance and adaptability is second to none. When Kahiau faces adversity, he knows how to adjust and complete the task in a professional manner. I have been a part of very good college programs, and I truly believe that Kahiau can impact any program on and off the field.

Above all, Kahiau's personality is one that is radiant and influential to others he is working with. Kahiau is a natural born leader as he is always looking to help others in any way, shape, or form. He is always positive and motivational in anything he does. What really sticks out to me is the intangible qualities he brings to the table. Seeing him be able to work well with others and take control of any task at hand is something that cannot be taught. Any opportunity Kahiau has to sharpen his tools, such time is not passed up.

If you have any questions or concerns, please do not hesitate to call me at 808-344-2647. You may also email me at chazz.ishikawa@gmail.com. Recommendation letters only provide glimpses of Kahiau's qualities. With that being said, I am more than willing to provide more details.

Sincerely,
Chazz Ishikawa
Maui High School
